

WORLD PARAVOLLEY WORLD CHAMPIONSHIPS QUALIFIER

OFFICIAL COMPETITION BULLETIN

BULLETIN N° 02
MARCH 27TH, 2018

MESSAGE FROM WORLD PARAVOLLEY'S PRESIDENT

Invited Guests, Officials, Volunteers and Players,

On behalf of World ParaVolley I would like to offer my congratulations to all participants in the 2017 Korean Sitting Volleyball National Championships. The delivery of such events is very important for the future development of Sitting Volleyball in Korea and it is wonderful to have the event on beautiful Jeju Island.

World ParaVolley is very pleased that KOVAD and the Jeju Volleyball Association for the Disabled are organising a world-class event on the Island next March – the Final Qualification Event for the 2018 Sitting Volleyball World Championships that will be held in the Netherlands – and I wish your national teams, men and women, all the best in that event.

We will be creating history in March, since this is the first time we have had a specific final qualification event for the World Championships and the first time we have held a World ParaVolley event on Jeju Island.

At the same time in March, we will be organising courses for Level 1 Coaches and Classifiers that are supported by the Agitos Foundation of the IPC, making this a very exciting time for all concerned.

Finally, I wish all of the teams all the best for the National Championships and I hope that you thoroughly enjoy all aspects of the event.

Thank you.

Barry COUZNER

World ParaVolley President

NOTICE FROM THE TECHNICAL DIRECTOR

Official Match Protocol

- We remind all teams that they **MUST** be in the competition hall 30 minutes before their official match time.
- If the previous match in the agenda is not completed 30 min before the official match time, the Jury will request the referees to respect the official protocol timeline.

Changing Rooms

- Before their match, teams have access to a changing room outside the competition hall.
- Before they enter the competition court, they are requested to leave all their unnecessary equipments for the match in a basket left at their disposal in the changing room.
- A volunteer from the Local Organizing Committee will collect the basket and will move it to the changing room located inside the competition venue.
- After their match, teams will collect their equipments in the new changing room.

Mongolia Country Code

- Mongolia's country code will be changed for MGL instead of MON.
- This code will apply to all official documents.

Democratic Republic of Congo

- At this point, we cannot ensure the Team will be able to attend the competition.
- Due to this uncertainty, we took the tough decision to withdraw the team from the competition. World ParaVolley aims at increasing participation, fulfilling teams and players' expectations while protecting its regulations and fair-play. According to the information we have and considering all aspects, this was the best option we had.
- Should the Team arrive, we will provide them with opportunities to play friendly games with some of you who are interested. However, this will not affect the competition.

Competition Schedule Change

- With DR Congo out of the competition, we are amending the competition schedule accordingly. Please refer to the updated schedule in this Bulletin.
- To provide all teams with the opportunity to visit Jeju Island, Friday, March 30th will be a day off. Nevertheless, it's up to the teams to book a training session if required.

Tours

- As the Competition Schedule has been revised due D R Congo being unable to attend the competition, there will now be a rest day on Friday 30 March.
- The Local Organising Committee are offering full day tours on that day for any team who wish to take the opportunity.
- For those who would rather take a half day tour on the day, or on another day, this may also be possible to arrange.
- Please inform Miss Kim from the LOC tonight at the hotel, or by 9am tomorrow morning at the latest, if you want to book one of these options.
