## 1. Information desk

At each team hotel an information desk will be present. Information and questions about the trainings schedule, transportation and meal & drinks can be obtained and asked here.

## 2. Transportation

All local transport is organized by the National Organizers according to Competition regulations. Transport schedules will be delivered to the manager of the teams at the Preliminary Inquiry and/or at the arrival desk.

To the matches and the trainings on competition courts two teams must go in one bus. A friendly request from our side, take each other into account and arrive at the pick-up point 5-10 minutes before the agreed departure time. The bus leaves on time. Thank you in advance for your cooperation and understanding.

## 3. Laundry

The organizers will provide and bear the costs for laundry of the sports uniforms of the teams after each match (for practical reasons not possible after the last match of the tournament).

The items are: 1 set of playing shirts, shorts and socks of the players of each team. The uniforms will be given back at the competition venue before the next match.

The competition clothing that is left in the changing room will be washed by the organization. Unfortunately, it is not possible to shower in the theatres. Our advice is to bring a set of clothes that can be worn after the match.

## 4. Hotelmanagement and food

We kindly request to have one contact person per team. This contact person has to inform the team members about the given information.

The food list for the next day has to be delivered to the hotel manager the day before at least at 13.00 hour. It is not allowed to changes lunch- and dinertimes without permission of the hotel manager.

## 5. Training

It is not allowed to watch the training of other participants. Warm-up area nearby the trainingcourt can be used a half an hour before the training.
