3. Miscellaneous

Athletes' Commission

At the General Assembly held in the Netherlands on 13 July, it was decided to add two athlete representatives to the World ParaVolley Board, one being male and one being female. The first opportunity for them to attend a Board meeting will be in March of 2019 when the face-to-face meeting will be held in China at the World ParaVolley Hangzhou Development Centre.

In addition, a new Athletes' Commission will be established in the coming months and attention is drawn to the fact that Members of World ParaVolley will be invited to nominate individuals for election. Once nominations have been received, an election will be conducted electronically with current athletes being eligible to vote.

For the first time, we will have athletes directly represented at the Board level - a great achievement!

More information will follow.
