

CAN

Phil Allen

I started standing volleyball in 2001, when offered a position at Volleyball Canada to manage the 'Disabled Volleyball Program'.

Lawrence Flynn had the greatest influence on me and my development in sport because of his passion, his commitment to others, his generosity, and his honour.

Managed all aspects of the Canadian World Champion Men's Standing Volleyball program from 2001-2007

2002 World Championships - Poland - Gold

2003 World Cup – Rhodes, Greece - Silver

2004 World Championships – Germany - Gold

2005 World Cup – Canada - Gold

2006 World Championships – The Netherlands – Gold

2008 Stopped being directly involved with standing volleyball in Canada as there was no longer funding to support the domestic program.

Official posts held:

2010 - Secretary - Pan American Committee Volleyball for Disabled

2008-2009 - Sub-Chair (North America) - Pan American Committee of Volleyball for Disabled

2002-2008 - WOVD Volleyball Development Commission member. Actively promoted standing volleyball to WOVD nations; led the application for standing volleyball's re-inclusion into the Paralympic Games with the Commission
