Jenni Cole

I started as Australian national team Physiotherapist in 1997 and my first event was the 1997 Standing Volleyball World Championship in Olstyn, Poland.

Dr. Cristina Riera had the greatest influence on my development in the sport – in her excellence clinically and as a classifier, in her genuine warmth and care for athletes, in her professionalism and diligence.

Events in which I was involved included:

1998 - World Championship Olstyn Poland - Australian Team Physiotherapist

1998 - Southern Cross Games – Event Medical Coordinator and standing volleyball team Physiotherapist

1999 - Standing Volleyball World Cup- Laval, Quebec, Canada – International classifier and Australian team physiotherapist

2000 - Sydney 2000 Paralympic Games – International classifier

2001 - Standing Volleyball World Cup – Puchov, Slovakia – Deputy Chief Classifier

2002 - Standing Volleyball World Championship, Poland – Assistant Chief Classifier

2003 - Standing Volleyball World Cup - Rhodes, Greece – International Classifier

2004 - Standing Volleyball World Championship - Mettmann Germany – Chief Classifier

2005 - Standing World Cup – Regina, Canada – Chief Classifier

2005 - AOCVD Zonal Championship Standing Volleyball – Chief Classifier

2006 - Combined World Championship – Roermond, The Netherlands – International Classifier

2011 - Standing World Cup – Phnom Penh, Cambodia

I have been involved with Classification from 1997 to the present but my last standing duty was in 2011.
