Janko Plesnik

I started standing volleyball at the Paralympic Games in Sydney in 2000.

Standing volleyball was then part of volleyball for disabled, and I was a referee for both sitting and standing.

Gaby Lotan and Gerard Brouwers had the greatest influence on my development in the sport.

As a referee I was appointed to the following standing volleyball events:

- 2000 - Paralympic Games - Sydney (AUS)
- 2002 - World Championships - Wisla (POL)
- 2004 - World Championships - Mettmann (GER)
- 2006 - Triple World Championships - Roermond (NED)
- 2011 - World Cup - Phnom Penh (CAM)

I officiated 3 Gold Medal matches and one Bronze Medal match before retiring from standing when events ceased in 2011.
