## Joey Stabner

I first started with standing when I was noticed by a ref at the 1995 juvenile men's club nationals in PEI when I played for the Prince Albert Toppers. I was contacted and asked to come to a try-out.

Wayne Epp had the greatest influence on my development in the sport. He was the first to contact me when I was 18 and ask me to try out for the team, took me as a young kid and helped me understand the importance of our sport around the world.

Events in which I was involved included:

- 1995 World Cup
- 1996 Canada Cup
- 1998 World Championships
- 1999 Pan Am Open/World Cup
- 2000 European Invitational
- 2000 Paralympics - Silver Medal
- 2002 World Championships – Gold Medal
- 2003 World Cup – Silver Medal
- 2004 World Championship – Gold Medal
- 2005 World Cup – Gold Medal

Awards received:-

- 1995 World Cup - Best New Player Award
- 1999 Pan Am Cup All Star Team

I retired from standing volleyball in 2005.
